GENERAL GUIDELINES

- The Club Representative is Tanya Leonard. Please get in touch with her about all inquiries, questions or bookings
- The committee requires a an approximate estimate of guests as far as possible in advance with a final number 2 weeks before the event. You plan for 100 and tell us 100 we will cook for 100. So, if only 80 show up you will stay pay for 100. The other way runs the risk of running out of food so try to be as accurate as possible with your numbers.
- If you prefer real cutlery, wine glasses etc. please let the club know ahead of time so we do not purchase the plastics
- We will do our best to make your meal as delightful as possible! Please remember we are a volunteer group doing this on personal time so please respect the group's time.
- Thank you for choosing our group for your event. All funds go towards the ORCA Group.
